The newest U.P. hot spot, the Greenlight Lounge, is IN and all kewl pple know it. For a good time watching local thespians and magickal pple, come to

The Greenlight Lounge
Phone: 906-523-4417
22095 7th St
Chassell, MI 49916

Be sure to bring yer cents of humor with you.

Instead of karaoke, the Greenlight has a thespian showcase ever Saturday nite at 10 pm sharp. Each year they have a different theme for the showcase, and this year the theme is Native American berdaches and their customs and costumes. Right now, the thespian who has won the last twenty showcases is Mr. Morkie, and so he is Greenlight's reigning champion and the one to beat.

Besides that, the Greenlight has an enema room with its own beer keg and floor drain so that you can enjoy beer yer own way. This is a feature to be found in no other U.P. bar.

We have fun, fun, fun, fun, fun ever Saturday night, so put on yer leotards and get to stepping. Be thier or be square.

During a visit to the mental asylum, a visitor asked the Director what the criterion was which defined whether or not a patient should be institutionalized.
"Well," said the Director, "we fill up a bathtub, then we offer a teaspoon, a teacup, and a bucket to the patient and ask him to empty the bathtub."
"Oh, I understand," said the visitor. "A normal person would use the bucket, because it's bigger than the teaspoon or the teacup."
"No," said the Director, "a normal person would pull the plug. Do you want a room with or without a view?"

ACTUAL transcript of a US naval ship with Canadian authorities off the coast of Newfoundland in October, 1995. This radio conversation was released by the Chief of Naval Operations on 10-10-95.

Americans: "Please divert your course 15 degrees to the North to avoid a collision."

Canadians: "Recommend you divert YOUR course 15 degrees to the South to avoid a collision."

Americans: "This is the captain of a US Navy ship. I say again, divert YOUR course."

Canadians: "No, I say again, you divert YOUR course."

Americans: "THIS IS THE AIRCRAFT CARRIER USS ABRAHAM LINCOLN, THE SECOND LARGEST SHIP IN THE UNITED STATES' ATLANTIC FLEET. WE ARE ACCOMPANIED BY THREE DESTROYERS, THREE CRUISERS AND NUMEROUS SUPPORT VESSELS. I DEMAND THAT YOU CHANGE YOUR COURSE 15 DEGREES NORTH. THAT'S ONE-FIVE DEGREES NORTH, OR COUNTER MEASURES WILL BE UNDERTAKEN TO ENSURE THE SAFETY OF THIS SHIP."

Canadians: "This is a lighthouse. Your call."

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

I think it's wonderful we've reached the stage where 5 yrs olds can text their little school buddies with one hand tied behind them. I love watching women in the Safeway parking lot whiz around looking for a space at 30 MPH, while skillfully talking on their cell phones and navigating a....you guessed it, a Lincoln Navigator SUV as if commanding a tank. Me? You're lucky I've mastered the art of answering a cell phone; however, if you text message me, the chances are 100% I won't be able to figure out how to handle it.

This brings me to an elephant in Kenya, who has been outfitted with a mobile phone card that alerts the local rangers, when he approaches the boundary of his preserve and is headed to a village. Elephants can consume 500 lbs of vegetation in a day and could wipe out the crops of small farmers. Anyway, read the attached. Am I smarter than a 5 yrs old? An elephant?

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

Faggot, don't confuse your humiliation with having a "fan"
You have no fans, cockgargler, but we will laugh at you.
You've obviously spent too much time between Emersons legs

This is a new feature of APH called The Emerson Wainwright k00ksuit watch. Every day we shall observe the clock ticking and count the days since Faggot Emerson Wainwright lied about pursuing a lawsuit, which is referred to herein as what it actually is, a k00ksuit. You are invited to post any outragous, interesting comments and/or lies made by Emerson Wainwright or any of his sockpuppets which include:

Guillaume Ier de Normandie
ScottyFLL
Enos Penvy

There are others. Points will be gives for each new sock that is discovered.

The Emerson Wainwright k00ksuit watch:
How long has Scott been lying?

195 DAYS AND COUNTING.

"And as I've told you before, nothing will happen, not a damn thing"--
James Riske

The Daily k00kwrightism:

"On the other hand, when I search my name in Google, I find tons of hits that relate directly to your malicious and libelous statements against me. This could affect my future employment and other relationships. It is unacceptable. It will be impossible to get it all off the internet. So I hope you understand that I must seek relief"--Emerson seeks "Relief" and the only relief he'll get will be in the form of an enema.

The Emerson k00kwright hall of shame archives.

"I've not been humiliated. You are incapable of humiliating me. I'm honest, I have integrity, I admit when I make a mistake"--k00k Emerson Wainwright posting with his current sock Guillaume Ier de Normandie

"Public newsgroups are public, I'm part of the public, and if I want
to
post a picture of a nipple on alt.bible or alt.religion, I'm gonna do
it"-- k00k Emerson Wainwright shows his *integrity*

"I do not use sockpuppets and i am not a troll"--Emerson Wainwright

"Public newsgroups are public, I'm part of the public, and if I want
to
post a picture of a nipple on alt.bible or alt.religion, I'm gonna do
it"-- k00k Emerson Wainwright shows his *integrity*

"Stick that up your ass and smoke it"--Emersons Freudian slip is evidence of how much mouth to anal/shite contact is woven into Faggot life.

"Suit will be filed in Broward county"--Emersons lie is obvious to everyone that see's it.

"Naw. One doesn't have to be rich to file suit. One doesn't even need a lawyer -- I can file the action myself against John Doe, present my evidence to a judge, and have subpoenas issued. Some lawyers will take cases on a contingency basis, especially in Broward County, whose juries don't like online libel one bit"--Well, Emerson is consistent if nothing else.

"Ah. But see, I DID enter a complaint with IC3. Which means that I have gotten further than the others you've run in to who threaten suits"--Laughingly, Emerson thought IC3, an entity that tracks internet terrorists, credit-card con-men, thieves, child pornographers, etc. would join in his pathetic usenet troll shananigans.

"That'll be too late if he wants to keep his identity secret, though. The subpoenas to the ISPs will bypass him; he can't be served until we know exactly who to serve. One of my correspondents said something about a pre-summons settlement that could be done without revealing his identity and with a privacy clause (in which case I wouldn't be able to reveal anything about the case), but Blobby still thinks I'm bluffing"--Emersons fantasies get the best of him. I'm not Bob but i still think he's bluffing :-)) Perhaps he thought somebody would offer him cash?? LOL!!!

"I have linked your WebTV account to your AOL account. I have headers of scores of messages in which you libel me. Many of your libellous messages remain online as you have had dozens of accounts banned due to TOS violations.

Really all I need to do is:

1. Get the subpoenas issued and out and wait for the responses (from WebTV, AOL, and Google).

2. Go into the judge's chambers, show him your tortious behavior, and wait for him to tell me how much money I should expect to receive.

Blobby, your ONLINE SURPRISE is almost ready!!! I wanted to reveal it to you TODAY, and in fact almost DID! But then I thought I should wait until I've REALLY got some goods.

Just gonna wait another day or two. Wish I could show you NOW, I really do!

HINT: the information I'm getting is gonna make you fill your panties!

More later! (Read: when I decide to reveal!)

G'night, Blobby! Don't worry be happy! :-))"--A perfect example of poor upbringing and the absense of any life whatsoever for poor unemployed Emerson Wainwright

"After my denial, this libel should have immediately stopped in the absence of any proof whatsoever. Anyway, those two things are not the basis of my complaint (though I thank you for reminding me). The other things Blobby said are easily disproved and are libel per se, and there are multiple counts. That changed, the complaint to IC3 is sent, it was received, I got the complaint number and password, and we have begun the process. It is out of my hands. THEY contact the proper authorities down here. I did make clear that I want this matter handled in Broward County, in which county I reside. And I've

already linked you to the precedent in matters such as this. Too
late. I've already sent the complaint. I'm going through with this.
I've had enough"--We haven't had near enough yet Emerson! :-)

common troll and a usenet loser.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

MINUTES OF THE AUGUST 5, 2008 MEETING
The meeting opened at 7:02 pm EDT with the Secretary (KD8CTL) readingthe minutes of the July 1, meeting. (Not reported during the July meeting) They included a report from the Property committee showing that the clubhouse is in good shape, and all systems were working. No other committee reports were available.
Since there was a health issue with the present Secretary, Gavrielah Hojnacki (KD8CTL)
George, W8FWG
offered his services to fill in the remainder of her term as "Acting Secretary." This offer was accepted by the existing Secretary, and approved by the President, with an amendment to serve up to the time of the next election in March of2009. This was agreed to by George, W8FWG. Self introductions followed, with the
following radio amateurs present at the meeting: KD8CTL, KB9RQZ, N8ZBJ, WA8JSF, W8ERB,
W9VLM, W8ILS, W4KAR, WB8ZYL, WA8QNF, K6IPC, W8DAO, KB8XI and W8FWG. Our President voiced concern of the ongoing uncertainly of the
operation of our 146.670 MHz repeater in Herman. George,8FWG rported for Chuck, WB8FCY,
that this property may have already been sold by the DNR, to a radio or TV broadcasting company but that we had no assurance that that had taken place. George offered to contact the DNR (a ham in the DNR, whom he knows) to get the latest information on
> that site, and to report back to the President of the club, ASAP.
> Treasurer's Report: By Paul, W9VLM, indicated we have received a request
> om the State of Michigan regarding our charter and status as a non-profit
> organization. This means a charge of $20
annually, and the Treasurer was instructed to pay it. At 7:36 pm Gavrielah had to leave suddenly (no reason given) and the roster of those present was turned
over to George, W8FWG. Glenn, WA8QNF asked this question of the President. "Mark, in the interest
of the CCRAA would you be willing to step down as President of the organization.?"
The answer given by Mark was "No!" In view of the "turbulence" that occurred, the Property Chairman's report (W8FWG's report) did not get read, but it is included here as follows: All utilities within the building are operational, and the weekly routines are
being kept up, the monthly check of the emergency engine was completed, an additional operating chart was made up and a new antenna tuning guide was

added. The lawn was not mowed, per the President's request, because of his allergy to newly mown grass. The
water leak at the roof has been corrected and one problem with a door switch remains and that should be taken care before the next meeting. Cataloging of the
small parts cabinet continues, and now that we have a new computer this should be completed by year's
end..
A motion made by Glenn, WA8QNF and seconded by Roy, WB8ZYL to "Remove Mark, KB9RQZ from the office of President of the CCRAA" was introduced, and
a discussion followed. When it came to a vote, there was one ABSTENTION, one NO vote, 11 YES votes, and the motion carried. George, W8FWG, being appointed Acting Secretary took ending notes. The next meeting of the CCRAA is scheduled to be held at the Osceola
Clubhouse on September ...

Congressman's $121,000 Payoff to Alleged Mistress
Tim Mahoney Elected to Remove 'Ethical Cloud' of His Disgraced Predecessor, Mark Foley
By EMMA SCHWARTZ, RHONDA SCHWARTZ, and VIC WALTER
Oct. 13, 2008
<carousel_blotter_logo.gif>
West Palm Beach Congressman Tim Mahoney (D-FL), whose predecessor resigned in the wake of a sex scandal, agreed to a $121,000 payment to a former mistress who worked on his staff and was threatening to sue him, according to current and former members of his staff who have been briefed on the settlement, which involved Mahoney and his campaign committee.
<abc_Mahoney_2a_081009_mn.jpg>
The affair between Congressman Tim Mahoney and Patricia Allen began, according to current and former staffers, in 2006 when Mahoney was campaigning for Congress against Foley, promising "a world that is safer, more moral."
(ABC News)

Mahoney, who is married, also promised the woman, Patricia Allen, a $50,000 a year job for two years at the agency that handles his campaign advertising, the staffers said.

A Mahoney spokesperson would not answer questions about the alleged affair or the settlement, but said Allen resigned of her own accord and "has not received any special payment from campaign funds."
Senior Democratic leaders in the House of Representatives, including Rep. Rahm Emanuel (D-IL), the chair of the Democratic Caucus, have been working with Mahoney to keep the matter from hurting his re-election campaign, the Mahoney staffers said.

I guess we won't hear the screams of moral outrage from Pelosi (Department of Congressional Hypocrisy) that we heard when Foley was caught. NEXT MONTH, VOTE AGAINST ALL INCUMBENTS, IRRESPECTIVE OF PARTY. SEND A REAL MESSAGE!

most are informational. You constantly have been posting the same trash

3452. Why am I not surprised? Mark Morgan lied about being a licensed Indiana teacher according to mustang.doe.in.gov

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

You can put it with your own awards like the golden dildo and

This is a new feature of APH called The Emerson Wainwright k00ksuit
watch. Every day we shall observe the clock ticking and count the days
since Faggot Emerson Wainwright lied about pursuing a lawsuit, which
is referred to herein as what it actually is, a k00ksuit. You are
invited to post any outragous, interesting comments and/or lies made
by Emerson Wainwright or any of his sockpuppets which include:

Guillaume Ier de Normandie
ScottyFLL
Enos Penvy

There are others. Points will be gives for each new sock that is
discovered.

The Emerson Wainwright k00ksuit watch:
How long has Scott been lying?

192 days and counting.

"And as I've told you before, nothing will happen, not a damn thing"--
James Riske

The Daily k00kwrightism:

"It is obvious you are having what is known as a "meltdown".
Turn yourself in to the local nut ward, they will take care of you"--
James Riske

The Emerson k00kwright hall of shame archives.

"I've not been humiliated. You are incapable of humiliating me. I'm
honest, I have integrity, I admit when I make a mistake"--k00k Emerson
Wainwright posting with his current sock Guillaume Ier de Normandie

"Public newsgroups are public, I'm part of the public, and if I want
to
post a picture of a nipple on alt.bible or alt.religion, I'm gonna do
it"-- k00k Emerson Wainwright shows his *integrity*

"I do not use sockpuppets and i am not a troll"--Emerson Wainwright

"Public newsgroups are public, I'm part of the public, and if I want
to
post a picture of a nipple on alt.bible or alt.religion, I'm gonna do

it"-- k00k Emerson Wainwright shows his *integrity*

"Stick that up your ass and smoke it"--Emersons Freudian slip is evidence of how much mouth to anal/shite contact is woven into Faggot life.

"Suit will be filed in Broward county"--Emersons lie is obvious to everyone that see's it.

"Naw. One doesn't have to be rich to file suit. One doesn't even need a lawyer -- I can file the action myself against John Doe, present my evidence to a judge, and have subpoenas issued. Some lawyers will take cases on a contingency basis, especially in Broward County, whose juries don't like online libel one bit"--Well, Emerson is consistent if nothing else.

"Ah. But see, I DID enter a complaint with IC3. Which means that I have gotten further than the others you've run in to who threaten suits"--Laughingly, Emerson thought IC3, an entity that tracks internet terrorists, credit-card con-men, thieves, child pornographers, etc. would join in his pathetic usenet troll shananigans.

"That'll be too late if he wants to keep his identity secret, though. The subpoenas to the ISPs will bypass him; he can't be served until we know exactly who to serve. One of my correspondents said something about a pre-summons settlement that could be done without revealing his identity and with a privacy clause (in which case I wouldn't be able to reveal anything about the case), but Blobby still thinks I'm bluffing"--Emersons fantasies get the best of him. I'm not Bob but i still think he's bluffing :-)) Perhaps he thought somebody would offer him cash?? LOL!!!

"I have linked your WebTV account to your AOL account. I have headers of scores of messages in which you libel me. Many of your libellous messages remain online as you have had dozens of accounts banned due to TOS violations.

Really all I need to do is:

1. Get the subpoenas issued and out and wait for the responses (from WebTV, AOL, and Google).

2. Go into the judge's chambers, show him your tortious behavior, and wait for him to tell me how much money I should expect to receive.

Blobby, your ONLINE SURPRISE is almost ready!!! I wanted to reveal it to you TODAY, and in fact almost DID! But then I thought I should wait until I've REALLY got some goods.

Just gonna wait another day or two. Wish I could show you NOW, I really do!

HINT: the information I'm getting is gonna make you fill your
panties!

More later! (Read: when I decide to reveal!)

G'night, Blobby! Don't worry be happy! :-))"--A perfect example of
poor upbringing and the absense of any life whatsoever for poor
unemployed Emerson Wainwright

"There it is for all to see. Libel pro se. Not posted anonymously,
either, but rather through AOL. 205.188.116.69
Gee, I wonder if AOL has a record of this.... Naw. Not AOL.
LOL!!!!!!!!!!!! Can you say "libel per se"?

LOL!!"--Emersons meltdown is
complete.

common troll and a usenet loser.

"WRONG! The plays of Aristophanes prove that the overwhelming majority of Athenians were straight and idiogenogamotics were ridiculed as either being effeminate or only doing kologamosis in return for political or financial favours. If this was not so then Aristophanes would not have mocked the politicians in the front seats as boy fuckers (kologamosis with young boys will illegal in ancient Athens and those engaging in it were banned from holding elected office) or made numerous bum gags, or brought naked girls on stage for an all male audience to represent peace or written plays featuring female prostitutes. Hellenistic romantic fiction such as the Aethiopica also disproves your claims that women were only regarded as baby making machines. Menanders Dyskolos also disproves your claims as does book 3 of Apollonius Argonougtica and Euripides Hellen. Kolofilia was nothing more than masturbation. AMATEUR RADIO OPERATORS TO CELEBRATE ON MARCH 29, 2009

ARRL says radio amateurs will soon have cause to celebrate:

March 29, 2009 marks the date that high-powered international broadcasting stations will be removed from the heart of the 40 meter band. While it's probably too much to expect 100 percent instant compliance, the responsible broadcasters are preparing to move out of the 7100-7200 kHz segment -- doubling the size of the worldwide 40 meter band and making this popular band more useful than it's been in 70 years.

From the MANITOBA HERALD, Canada (a very underground paper):

The flood of American liberals sneaking across the border into Canada has intensified in the past week, sparking calls for increased patrols to stop the illegal immigration. The possibility of a McCain/Palin election is
prompting the exodus among left-leaning citizens who fear they'll soon be required to hunt, pray, and agree with Bill O'Reilly.

Canadian border farmers say it's not uncommon to see dozens of sociology professors, animal rights activists and Unitarians crossing their fields at night. I went out to milk the cows the other day, and there
was a Hollywood producer huddled in the barn,' said Manitoba farmer Red Greenfield, whose acreage borders North Dakota. The producer was cold, exhausted and hungry. 'He asked me if I could spare a latte and some free-range chicken. When I said I didn't have any, he left. Didn't even get a chance to show him my screenplay, eh?'

In an effort to stop the illegal aliens, Greenfield erected higher fences, but the liberals scaled them. So he tried installing speakers that blare Rush Limbaugh across the fields. 'Not real effective,' he said. 'The liberals still got through, and Rush annoyed the cows so much they wouldn't give milk.' Officials are particularly concerned about smugglers who meet liberals near the Canadian border, pack them into Volvo station wagons, drive them across the border, and leave them to fend for themselves. 'A lot of these people are not prepared for rugged conditions,' an Ontario border patrolman said. 'I found one car load without a drop of drinking water. 'They did have a nice little Napa Valley cabernet, though.'

When liberals are caught, they're sent back across the border, often wailing loudly that they fear retribution from conservatives. Rumors have been circulating about the McCain administration establishing re-education camps in which liberals will be forced to shoot wolves from airplanes, deny evolution, and act out drills preparing them for the Rapture.

In recent days, liberals have turned to sometimes-ingenious ways of crossing the border. Some have taken to posing as senior citizens on bus trips to buy cheap Canadian prescription drugs. After catching a half-dozen young vegans disguised in powdered wigs, Canadian immigration authorities began stopping buses and quizzing the supposed Senior citizen passengers on Perry Como and Rosemary Clooney hits to prove they were alive in the '50s. 'If they can't identify the accordion player on The Lawrence Welk Show, we get suspicious about their age,' an official said. Canadian citizens have complained that the illegal immigrants are creating an organic-broccoli shortage and renting all the good Susan Sarandon movies.

'I feel sorry for American liberals, but the Canadian economy just can't support them,' an Ottawa resident said. 'How many art-history and English majors does one country need?'

P.S. If I forwarded this to anyone without a sense of humor... well, what can I say? Get over it!

No problem can be solved from the same consciousness that created it. - Albert Einstein

Newlyweds Amanpreet and Judi were having sexual problems.
The counselor thought it might be because Judi stood a good foot taller than Lizard Pecker.
The counselor suggested: "Maybe you should try those special shoes with the built in lifts to help out Preet's ego."
The next month, the counselor asked if things had improved in the love-making department.
"Well," Judi sighed, "yes, but, those shoes sure get the sheets dirty."

Another replied, "No, I think it's just the reflection off the grass."

I'm afraid this has more truth than fiction !!!!!!!!!!

Back in 1990, the Government seized the Mustang Ranch brothel in Nevada for tax evasion and, as required by law, tried to run it.

They failed and it closed.

Now we are trusting the economy of our country to a pack of nit-wits who couldn't make money running a whore house and selling booze?

A guy visits his friend who has been hospitalized quite suddenly.
The friend is badly injured. Broken arm, black eye, grazes, two missing teeth, the lot.
"What's this, Jack? Yesterday I saw you downtown with a beautiful woman at your side."
"So did my wife."

Mary had a little pig,
She kept it fat and plastered;
And when the price of pork went up,
She shot the little bastard.

Mary had a little lamb.
Her father shot it dead.
Now it goes to school with her,
Between two chunks of bread.

Mary had a little lamb
It ran into a pylon.
10,000 volts went up its arse
And turned its wool to nylon.

Mary had a little lamb
Its fleece was white and wispy.
Then it caught Foot and Mouth Disease
And now it's black and crispy.

Mary had a little skirt
With splits right up the sides
And everywhere that Mary went
The boys could see her thighs.

Mary had another skirt
'twas split right up the front
..But she didn't wear that one often.

Jack and Jill went up the hill
To have a little fun.
Stupid Jill forgot the pill
And now they have a son.

Jack and Jill went into town
To fetch some chips and sweeties.
He can't keep his heart rate down
And she's got diabetes.

Jack and Jill went up the hill
And planned to do some kissing.
Jack made a pass
And grabbed her ass
Now two of his teeth are missing.

Simple Simon met a pie man going to the fair.
Said Simple Simon to the pie man,

'What have you got there?'
Said the pie man unto Simon,
'Pies, you dumb ass'

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall.
All the kings' horses,
And all the kings' men.
Had scrambled eggs,
For breakfast again..

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall
The structure of the wall was incorrect
So he won a grand with Claims Direct.

Hey diddle, diddle, the cat took a piddle,
All over the bedside clock..
The little dog laughed to see such fun.
Then died of electric shock.

It's Raining, It's Pouring.
Oh sh*t, it's Global Warming.

Georgie Porgy pudding and pie,
Kissed the girls and made them cry.
And when the boys came out to play,
He kissed them too 'cause he was gay.

There was a little girl who had a little curl
Right in the middle of her forehead.
When she was good, she was very, very good.
But when she was bad.....
She got a fur coat, jewels, a waterfront condo, and a sports car.

Recall -- Firm Press Release
FDA posts press releases and other notices of recalls and market withdrawals from the firms involved as a service to consumers, the media, and other interested parties. FDA does not endorse either the product or the company.

ETHEX Corporation Voluntarily Recalls Three Lots of Dextroamphetamine Sulfate 5mg Tablets Due to the Potential for Oversized Tablets
Lot Number 77946, 81141 and 81142 NDC #58177-311-04
Contact:
Ann McBride
1-800-321-1705

FOR IMMEDIATE RELEASE -- St. Louis, MO - October 15, 2008 - ETHEX Corporation announced today that it has voluntarily recalled three specific lots (77946, 81141 and 81142) of Dextroamphetamine Sulfate 5 mg tablets, as a precaution, due to the possible presence of oversized tablets. Oversized tablets may contain as much as about twice the labeled amount of the active ingredient. The recalled lots were distributed by ETHEX Corporation under an "ETHEX" label between January 2007 and May 2008. The 5 mg product is an orange round tablet debossed with "ETHEX" and "311" on one side.

If someone were to take a higher than expected dose of Dextroamphetamine Sulfate, then the risk of adverse effects known to be associated with the drug such as tachycardia, hypertension, tremors, decreased appetite, headache, insomnia, dizziness, blurred vision, stomach upset, and dry mouth may be increased.

No report of any oversized Dextroamphetamine Sulfate tablets has been received by ETHEX from any wholesaler, retailer, consumer or caregiver, and ETHEX has not received any report of unexpected side effects or injury related to this product.

ETHEX Corporation is conducting this precautionary, voluntary recall because it found a small number of oversized tablets in lots which had not yet been distributed. These oversized tablets were removed before the lots were distributed.

Please be aware that there are multiple companies in the United States producing and marketing generic versions of Dextroamphetamine Sulfate 5 mg tablets and consumers and their caregivers are encouraged to check their prescriptions to determine the source of their tablets.

Any customer inquiries related to this action should be addressed to ETHEX Customer Service at 1-800-321-1705, or fax to ETHEX Customer Service at 314-646-3751 or sent via email to: customer-service@ethex.com with representatives available Monday through Friday, 8 am to 5 pm CST.

ETHEX Corporation has initiated recall notifications to wholesalers and retailers nationwide who have received any inventory of the recalled lots of this product with instructions for returning the recalled product and, if they have not already done so, they are urged to contact ETHEX as provided above regarding procedures for returning the recalled product. Consumers and their caregivers should not use any Dextroamphetamine Sulfate tablets that appear to be oversized. If consumers have any questions about the recall, they should call the telephone number above, their physician, their pharmacist or other health care provider.

This recall is being conducted with the knowledge of the U.S. Food and Drug Administration (FDA).

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

One day, Grandma sent her grandson Johnny down to the water hole to get some water for cooking dinner.
As he was dipping the bucket in, he saw two big eyes looking back at him.
He dropped the bucket and hightailed it for Grandma's kitchen.
"Well now, where's my bucket and where's my water?" Grandma asked him.
"I can't get any water from that water hole, Grandma" exclaimed Johnny. "There's a BIG ol' alligator down there!"
"Now don't you mind that ol' alligator, Johnny. He's been there for a few years now, and

he's never hurt no one. Why, he's probably as scared of you as you are of him!"
"Well, Grandma," replied Johnny, "if he's as scared of me as I am of him, then that water ain't fit to drink!"

The sea is only 2 ppm water. The rest is pollution.

A priest, a doctor, and an engineer were waiting one morning for a particularly slow group
of golfers.
The engineer fumed, "What's with those blokes? We must have been waiting for fifteen
minutes!"

The doctor chimed in, "I don't know, but I've never seen such inept golf!"
The priest said, "Here comes the greens keeper. Let's have a word with him."
He said, "Hello, George! what's wrong with that group ahead of us? They're rather slow, aren't they?"
The greens keeper replied, "Oh, yes. That's a group of blind fire fighters. They lost their sight saving our clubhouse from a fire last year, so we always let them play for free anytime."
The group fell silent for a moment.
The priest said, "That's so sad. I think I will say a special prayer for them tonight."
The doctor said, "Good idea. I'm going to contact my ophthalmologist colleague and see if there's anything he can do for them."
The engineer said, "Why can't they play at night?"

4087. Why am I not surprised? Mark Morgan lied about being a licensed Indiana teacher according to mustang.doe.in.gov

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

4151. Why am I not surprised? Mark Morgan lied about being a licensed Indiana teacher according to mustang.doe.in.gov

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

Art Deco?
Figures!
Been more than that, but hey some laws have a 10 year Statute of
Limitations.
Where on going events can be tied to the claim, it can be asserted back.
10 Years tied to a 20 Year Government Program is 30 Years Right?
Or "The Life of the Facility"!
A Capital Offense requires Capital Punishment!
Even and Especially where a "Government" is concerned!
Be Civil or learn Civility.
How do you break an Attorney?
Proceed "Pro Se" and "Make them work their Ass OFF"!
Law is just sticking pins in a Voodoo Doll anyway.
I file something, you file something, I reply, the Court intervenes,
then I file something, you file something, I reply and the Court
Intervenes, then I file Something, You File Something, I file a Reply,
and the Court Intervenes.
Depends on the Judicial Hormone Levels that Day.
Nothing to loose but my home and life.
They poisoned my Home so that means little.
Broke Consortium, so not much left anyway!
"Only" way out is "Through Them"!!!!!!!!!
Albie may be willfully Blind and believe anyone could have predicted the
Floods along the River this spring, but only person on Earth I know of
who did, was "ME"!
Only person I know of who predicted the English Earth Quake this Spring
was Me!
Albie and friends can't laugh at me with 100 percent Predictions "ON
LINE" so "They Erased them"!

The Worlds Loss, for their "Stupidity"!

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

"When I told Abbie Hoffman that he was the first one who made me laugh since Lenny Bruce died, Hoffman said, "Really? He was my god." The combination of satirical irreverence and sense of justice that Bruce and Hoffman shared was the real spirit behind the Yippies--a term I coined to describe a phenomenon that already existed: an organic coalition of stoned hippies and political activists who engaged in such actions as throwing money on the floor of the New York Stock Exchange, then explaining to reporters the meaning of that symbolism. Folksinger Phil Ochs summed it up: "A demonstration should turn you on, not turn you off." So when journalists link the Yippies with misleading bedfellows, at best it's careless shorthand; at worst it's deliberate demonization. Osama bin Laden wanted an aircraft to crash into the Pentagon. Abbie Hoffman merely wanted to levitate it." -- Paul Krassner, http://tinyurl.com/ehu3v

MINUTES OF THE AUGUST 5, 2008 MEETING
The meeting opened at 7:02 pm EDT with the Secretary (KD8CTL) reading
the minutes
of the July 1, meeting. (Not reported during the July meeting) They
included a report
from the Property committee showing that the clubhouse is in good
shape, and all
systems were working. No other committee reports were available.
Since
there was a
health issue with the present Secretary, Gavrielah Hojnacki (KD8CTL)
George, W8FWG
offered his services to fill in the remainder of her term as Acting
Secretary. This offer
was accepted by the existing Secretary, and approved by the
President,
with an
amendment to serve up to the time of the next election in March of
2009. This was
agreed to by George, W8FWG. Self introductions followed, with the
following radio
amateurs present at the meeting: KD8CTL, KB9RQZ, N8ZBJ, WA8JSF,
W8ERB,
W9VLM, W8ILS, W4KAR, WB8ZYL, WA8QNF, K6IPC, W8DAO, KB8XI and
W8FWG. Our President voiced concern of the ongoing uncertainly of the
operation of
our 146.670 MHz repeater in Herman. George, W8FWG reported for Chuck,
WB8FCY,
that this property may have already been sold by the DNR, to a radio
or TV broadcasting
company but that we had no assurance that that had taken place.
George
offered to
contact the DNR (a ham in the DNR, whom he knows) to get the latest
information on
that site, and to report back to the President of the club, ASAP.
Treasurer's Report: By
Paul, W9VLM, indicated we have received a request from the State of
Michigan

regarding our charter and status as a non-profit organization. This means a charge of $20 annually, and the Treasurer was instructed to pay it. At 7:36 pm Gavrielah had to leave suddenly (no reason given) and the roster of those present was turned over to George, W8FWG. Glenn, WA8QNF asked this question of the President. &#65533;Mark, in the interest of the CCRAA would you be willing to step down as President of the organization.?&#65533; The answer given by Mark was &#65533;No!&#65533; In view of the &#65533;turbulence&#65533; that occurred, the Property Chairman&#65533;s report (W8FWG&#65533;s report) did not get read, but it is included here as follows: All utilities within the building are operational, and the weekly routines are being kept up, the monthly check of the emergency engine was completed, an additional operating chart was made up and a new antenna tuning guide was added. The lawn was not mowed, per the President&#65533;s request, because of his allergy to newly mown grass. The water leak at the roof has been corrected and one problem with a door switch remains and that should be taken care before the next meeting. Cataloging of the small parts cabinet continues, and now that we have a new computer this should be completed by year&#65533;s end..

A motion made by Glenn, WA8QNF and seconded by Roy, WB8ZYL to &#65533;Remove Mark, KB9RQZ from the office of President of the CCRAA&#65533; was introduced, and a discussion followed. When it came to a vote, there was one ABSTENTION, one NO vote, 11 YES votes, and the motion carried. George, W8FWG, being appointed Acting Secretary took ending notes. The next meeting of the CCRAA is scheduled to be held at the Osceola Clubhouse on September ...

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

I love how the pretentious cretin Mark Morgan imagines that he has any sayso over what others post at all, or even more impossible to believe, that Mark has anything intelligent to contribute to ANY conversation. Truly, he is the newsgroup fool, and everyone knows it.

Bray, Mark, bray.

And quit crossposting to rec.radio.cb. The group has been removed from this post, you crossposting ignoramus.

A friend of mine, who is a staunch Democrat sent this to me. He always votes party, and he and I have gone round an round many times on politics. He was for Hillary, but supported Obama... today I received this... makes you think... whomever your voting for, you might want to think about this...

Keep this in mind when you vote.

They say you can't believe everything you read on the internet but this all seems to be verifiable. This guy worries me a lot !!!!!!

To All My Friends, this is long, but every important, please take the time to read it.

This election has me very worried. So many things to consider. About a year ago I would have voted for Obama. I have changed my mind three times since than. I watch all
the news channels, jumping from one to another.

About six months ago, I started thinking 'where did the money come from for Obama'.

I started looking into Obama's life. Around 1979 Obama started college at Occidental in California. He is very open about his two years at Occidental, he tried all kinds of drugs and was wasting his time but, even though he had a brilliant mind, did not apply himself to his studies. 'Barry' (that was the name he used all his life) during this time had two roommates, Muhammad Hasan Chandoo and Wahid Hamid, both from Pakistan.

During the summer of 1981, after his second year in college, he made a 'round the world' trip. Stopping to see his mother in Indonesia, next Hyderabad in India, three weeks in Karachi, Pakistan where he stayed with his roommate's family, then off to Africa to visit his father's family.

My question - Where did he get the money for this trip? Neither I, nor any one of my
children would have had money for a trip like this when they where in college. When he came back he started school at Columbia University in New York. It is at this time he wants everyone to call him Barack - not Barry. Do you know what the tuition is at Columbia? It's not cheap to say the least! Where did he get money for tuition? Student
Loans? Maybe.

After Columbia, he went to Chicago to work as a Community Organizer for $12,000 a year. Why Chicago? Why not New York? He was already living in New York. By 'chance' he met Antoin 'Tony' Rezko, born in Aleppo Syria, and a real estate developer in
Chicago. Rezko has been convicted of fraud and bribery this year.

Rezko, was named 'Entrepreneur of the Decade' by the Arab-American Business and Professional Association'. About two years later, Obama entered Harvard Law School. Do you have any idea what tuition is for Harvard Law School? Where did he get the money for Law School? More student loans?

After law school, he went back to Chicago. Rezko offered him a job, which he
turned down. But, he did take a job with Davis Miner, Barnhill & Galland. Guess what? They represented 'Rezar' which is Rezko's firm. Rezko was one of Obama's first major financial contributors when he ran for office in Chicago. In 2003, Rezko threw an early fundraiser for Obama which Chicago Tribune reporter David Mendelland claims was instrumental in providing Obama with 'seed money' for his U.S. Senate race.

In 2005, Obama purchased a new home in Kenwoood District
of Chicago for $1.65 million (less than asking price). With ALL those Student Loans - Where did he get the money for the property? On the same day Rezko's wife, Rita, purchased the adjoining empty lot for full price. The London Times reported that Nadhmi Auchi, an Iraqi-born Billionaire loaned Rezko $3.5 million three weeks before Obama's new home was purchased. Obama met Nadhmi Auchi many times with Rezko.

Now, we have Obama running for President. Valerie Jarrett, was Michele Obama's boss. She is now Obama's chief advisor and he does not make any major decisions without talking to her first. Where was Jarrett born? Ready for this? Shiraz, Iran! Do we see a pattern here? Or am I going crazy?

On May 10, 2008 The Times reported, Robert Malley, advisor
to Obama, was 'sacked' after the press found out he was having regular contacts with 'Hamas', which controls Gaza and is connected with Iran. This past buried in the back part of the papers, Iraqi newspapers reported that during Obama's visit to Iraq, he asked their leaders to do nothing about the war until after he is elected, and he will 'Take care of things'.

Oh, and by the way, remember the college roommates that where born in Pakistan? They are in charge of all those 'small' Internet campaign contributions for Obama.
Where is that money coming from? The poor and middle class in this country? Or could it be from the Middle East?

And the final bit of news. On September 7, 2008, The
Washington Times posted a verbal slip that was made on 'This Week' with George Stephanapoulos. Obama on talking about
his religion said, 'My Muslim faith'. When questioned, 'he made a mistake'. Some mistake!

All of the above information I got on line. If you would like to check it - Wikipedia, encyclopedia, Barack Obama; Tony Rezko; Valerie Jarrett: Daily Times - Obama visited Pakistan in 1981; The Washington Times - September 7, 2008; The Times May 10, 2008.

Now the BIG question - If I found out all this information on my own, Why haven't all of our 'intelligent' members of the press been reporting

this? Because it's a liberal press!

A phrase that keeps ringing in my ear... 'Beware of the enemy from within'!!!

"Consider that language a moment. 'Purposefully and materially supported hostilities against the United States' is in the eye of the beholder, and this administration has proven itself to be astonishingly impatient with criticism of any kind. The broad powers given to Bush by this legislation allow him to capture, indefinitely detain, and refuse a hearing to any American citizen who speaks out against Iraq or any other part of the so-called 'War on Terror.'

"If you write a letter to the editor attacking Bush, you could be deemed as purposefully and materially supporting hostilities against the United States. If you organize or join a public demonstration against Iraq, or against the administration, the same designation could befall you. One dark-comedy aspect of the legislation is that senators or House members who publicly disagree with Bush, criticize him, or organize investigations into his dealings could be placed under the same designation. In effect, Congress just gave Bush the power to lock them up." -- William Rivers Pitt

"It has become clear in recent months that a critical mass of the American people have seen through the lies of the Bush administration; with the president's polls at an historic low, growing resistance to the war Iraq, and the Democrats likely to take back the Congress in mid-term elections, the Bush administration is on the ropes. And so it is particularly worrying that President Bush has seen fit, at this juncture to, in effect, declare himself dictator." -- Frank Morales

"It does to a certain extant physically and theoretically it holds even into the quantum but there observational confirmation is limited or non existent. That's the problem and the major stumbling block to field unification. For Dr. Einstein held out that a physical based field theory should be sought out and not left to quantum uncertainty of how the universe primly base works. Man made coordinate systems are fine without knowing from where or what is the base essence of what the space as deduced field is composed of, but not totally satisfactory. Anomalies keep space cropping up and scientists have to keep adjusting for these unexpected events. It's like a blind man that has memorized his physical surroundings to a point he feels very comfortable until that one new or unexpected event pops up and he's lost and fumbling." -- nightbat, in one of his more lucid moments.

The broad powers given to Bush by this legislation allow him to capture, indefinitely detain, and refuse a

hearing to any American citizen who speaks out against Iraq or any other part of the so-called 'War on Terror.'

"If you write a letter to the editor attacking Bush, you could be deemed as purposefully and materially supporting hostilities against the United States. If you organize or join a public demonstration against Iraq, or against the administration, the same designation could befall you. One dark-comedy aspect of the legislation is that senators or House members who publicly disagree with Bush, criticize him, or organize investigations into his dealings could be placed under the same designation. In effect, Congress just gave Bush the power to lock them up." -- William Rivers Pitt

"It has become clear in recent months that a critical mass of the American people have seen through the lies of the Bush administration; with the president's polls at an historic low, growing resistance to the war Iraq, and the Democrats likely to take back the Congress in mid-term elections, the Bush administration is on the ropes. And so it is particularly worrying that President Bush has seen fit, at this juncture to, in effect, declare himself dictator." -- Frank Morales

"Right you are correct. Someone hooked me. I do believe in building relationships. That is what Christians are required to do. I am amoral. I am sure you know what that means. So are Scorpios. I am being 'protected' by the Formosa Rule because of my 'mental illness'. I am not targeting 'teh Mop Jockey'. You are and you are using me as a bait. Please stop. I have my own fish to reel in. Leave me alone. It is my hope that I will be able to catch a fish and reel it in for you. Once my retired bishop thought I was fishing for him and he took the bait, alas it wasn't me and that spelled the demise of our relationship. Have a little bit more faith in me. An Eastern Orthodox bishop thought I was fishing for him and willingly, proudly and defiantly took the bait on public record, and it wasn't even me. Give me a break." -- Atlanta Olympiada "Erica" Kane yammered in

"It does to a certain extant physically and theoretically
it holds even into the quantum but there observational confirmation is limited or non existent. That's the problem and the major stumbling block to field unification. For Dr. Einstein held out that a physical based field theory should be sought out and not left to quantum uncertainty of how the universe primly base works. Man made coordinate systems are fine without knowing from where or what is the base essence of what the space as deduced field is composed of, but not totally satisfactory. Anomalies keep space cropping up and scientists have to keep adjusting for these unexpected events. It's like a blind man that has memorized his physical surroundings to a point he feels very comfortable until that one new or unexpected event pops up and he's lost and fumbling." -- nightbat, in one of his more lucid moments.

And yet he made big, blowhard claims that he is a licensed Indiana teacher. Try to look him up at

http://mustang.doe.in.gov/TEACH/teach_inq.cfm

and you will fail. You will also fail to find him listed if you go to the similar web sites maintained by Illinois and Michigan.

"WRONG! The plays of Aristophanes prove that the overwhelming majority of Athenians were straight and idiogenogamotics were ridiculed as either being effeminate or only doing kologamosis in return for political or financial favours. If this was not so then Aristophanes would not have mocked the politicians in the front seats as boy fuckers (kologamosis with young boys will illegal in ancient Athens and those engaging in it were banned from holding elected office) or made numerous bum gags, or brought naked girls on stage for an all male audience to represent peace or written plays featuring female prostitutes. A cabbie picks up a nun. She gets into the cab, and the cab driver won't stop staring at her. She asks him why is he staring and he replies, "I have a question to ask you but I don't want to offend you." She answers, "My dear son, you cannot offend me.

When you're as old as I am and have been a nun as long as I have, you get a chance to see and hear just about everything. I'm sure that there's nothing you could say or ask that I would find offensive."

"Well, I've always had a fantasy to have a nun kiss me." She responds, "Well, let's see what we can do about that: #1, you have to be single and #2 you must be Catholic"

The cab driver is very excited and says, "Yes, I am single and I'm Catholic too!" "OK" the nun says "Pull into the next alley" He does and the nun fulfills his fantasy with a kiss that would make a hooker blush. But when they get back on the road, the cab driver starts crying. "My dear child, said the nun, why are you crying?"

"Forgive me sister, but I have sinned. I lied, I must confess, I'm married and I'm Jewish."

The nun says, "That's OK, my name is Mark and I'm on my way to a Halloween Party."

"shownatovah day 134 lawsuit watch is still MIA"

Only an idiot would watch for a lawsuit that no one mentioned

"As of course it must be since you can't sue anyoone for doing what the laws requires"

When did law enforcement start requiring folks to make false accusations because they are desperate from having their outlandish and unsupported claims of stalking and harrassment ignored? You are a participant, Flooder.

"OTOH to sue you still have to give your real names and that you dare not do for fear for what will hapen in return"

Yes, no one wants to be bothered by you off of the net with your false accusations and lies. But so far you keep missing the target...LOL.

"that is ok because your fame as Kooks is slowly spreading accorss the net"

Who's "fame?" Since we are unknown there is no impact to any of us, but you have been ridiculed and laughed at for years as a Kook.

"I guess you like being seem as kooky and impotent, personaly i would not care that but enjoy fellows, it is clear howver that I am the very center of your life"

No it is clear that you are just a wacko who can't get the message, that no one likes you here or anyplace on the net, no one wants to read you wacked out postings and skewed arguments. You have been banned from several web sites because of your behavior, too bad you can't be banned from here. You don't know anything about ham radio, and any opinion you offer is not worth reading, you are nothing more than just another run of the mill appliance operator who doesn't have one clue of how to properly set up and operate a well engineered amateur radio station.
